

Getting Together

JUSTICE

Listen! We hafta go in there in a few minutes. Now with A, they'll try to ram through the politics. We can afford to meet them halfway. It's weak law anyway. With B it's more like fogbound law. Nobody has ever figured that fuckin

thing out. Judges are push-pull. At any rate, we'll let Administration have all of B or more. It's Theater of the Absurd. Now C we gotta stand up for. No choice! Or we have no *raison d'être*. When all is said and done we must finally do our duty for Justice. What the country believes in. What history sanctions.

Back seat for politics there. Way way back!

.....

ADMINISTRATION

Gentlemen! We can zip through all of this *toute suite*! We gotta have A to fuck the opposition, simple as that. They've taken to fucking us, so they gotta learn.

JUSTICE

We can't go all the way on that one.

ADMINISTRATION

That's what the Vegas whores say, until you whip it out. American Express that is! But don't worry about A. We'll consult with you right after we act.

JUSTICE Somewhat reasonable

Reasonable enough. But that's last deal we can make.

ADMINISTRATION

Except we need elbow room on B. Some very fine points we...

JUSTICE

You can have all of B.

ADMINISTRATION

You grow in stature by the minute. We want C too. Unfortunately.

JUSTICE

No way there. Settled law of the land. We can't lose all honor on that one! You'll hafta back completely off! Completely! Thgere is a Trust from our ancestors, even back to Magna Carta! Let alone the constitution.

ADMINISTRATION

Hey, one more appointment there, it's Golden Asshole.

JUSTICE

That's where you
re wrong. No matter the appointee. The Historical glory of this nation...!

ADMINISTRATION

You see a podium here? Platform? This is a no speech zone.

JUSTICE

We all hafta play ball with one hand, but with the other...!

ADMINISTRATION

You can jerk off. You're fired! Now get the fuck out, to put it politely.

JUSTICE

I can go to the press!

ADMINISTRATION

You won't go anywhere. Why the fuck you think we picked you in the first place?
